Re: 98P-015329 COP JAN 19 10:05

We can no longer stand  
by silently while non-  
ambulatory cattle are  
treated so cruelly be-  
fore they are slaughtered.  
Please prohibit the  
slaughter of downed  
animals by granting  
petition 98P-0150/CPI.

Thank you,  
Sincerely,  
Margaret  
Heinemann
